Compensation

Under the terms of this warranty, compensation is at the discretion of Roof Replacement Experts may be arranged directly by Roof Replacement Experts or issued in the form of a material credit or a cash settlement.

Claims Process & Right of Inspection

Warranty claim must be made within 30 days of you discovering the problem. To fully validate your claim, we may ask that you provide at your expense pictures of the damage and samples for us to test. You must do so to be eligible to make a claim under this warranty. To make a claim or any questions, call us at 833-243-8786 or visit us at www.maxxdistribution.com If you repair or replace your Enfinity Roof System before Roof Replacement Experts has made a determination on your claim, your claim may be denied. Roof Replacement Experts shall have a reasonable time after notification of a claim to inspect the roof. If requested by Roof Replacement Experts, the owner shall provide Roof Replacement Experts with reasonable access to the roof, during normal business hours, for the purpose of conducting an inspection of the roofing products.

Eligibility Requirements For This Warranty

1. Your roof must be installed by a Roof Replacement Experts Certified Contractor
2. Your Enfinity Roof System must cover the entire Structure. Incomplete roofs installed on a portion of a building do not qualify.
3. Your Enfinity Roof System must be installed over a clean deck with all existing roofing material and debris removed including but not limited to drip edge, felt, shingles, ice & water shield etc. (Except the Tilor Steel Roof)
4. All required flashings must be correctly installed.

Workmanship Terms

If during the warranty period your Enfinity Roofing System is found to have an application defect or application errors that cause leaks or materially affects your roofs performance, Roof Replacement Experts will have your roof repaired or replaced or, will provide you with the replacement roofing products and issue compensation for the full reasonable cost of labor and other materials to repair or replace your roof including needed accessories. Failure to install adequate ventilation is not an application error of your Enfinity Roofing System. Ventilation can be limited by the design and configuration of existing structures. Note: First 2 years. If your claim arises out of an application error which is discovered or discoverable within the first 2 years after installation of your Enfinity Lifetime Roofing System, it is the obligation of the Roof Replacement Experts certified contractor who installed the roof to make all necessary repairs. If your certified contractor is unable or unwilling to make the repairs, Roof Replacement Experts will arrange to have your roof repaired.
